Note from the Vice Commodore
Rich Allen

Not only is the sailing season over, but even the celebration is over. This year we tried a new approach to our traditional Cups and Flags banquet. Our goal in the changes was to encourage more participation, and it was a success attracting 161 sailors. The feedback so far has been largely positive; the cocktail party theme, lower entrance fee, and excellent live music with dancing all seemed to resonate. The Jetty and Port venue is decorated with our sailing passion in mind. The biggest issue we had was with the acoustics of the room which made it difficult for everyone to hear the awards presentation. We have ideas on how to improve should we choose to repeat this again next year.

From our Constitution, our purpose is stated as "... to encourage yachting and sailing ...", and we have been very successful with this. We have not only attracted people with a common sailing interest, but also ones who are really good at it. Our racers do exceptionally well when they compete around the lake, and so our own internal awards ceremony is a recognition of the best of the best. Twelve of our racers earned trophy's; for winning one of the 6 Tuesday night fleets, or winning one of the 6 overall championships, or single and double handed series champs. And we have an Overall Tuesday night champion when all boats are scored as one fleet, and the "Boat of the Year" award for the most number of first places.

Please pat these racers on the back the next time you see them:

Steve Corona / Hoot – Tuesday C SP
Dave Overy / Discovery II – Overall C SP
Kenny Foursprint / Tachyon – Doublehanded A SP and Singlehanded
Joel Doyle / Sting – Overall D SP and Doublehanded B GO
Tom Saytes / Stray J – Overall A SP and Doublehanded A GO
Chris Cotton / Sovereign – Tuesday A GO and Overall A GO
Paul Stack / Y Knot – Tuesday B GO and Overall B GO
Steve Pikuet / Litl Bo – Tuesday E SP and Overall E SP
Fred Lawrence / Lanakila – Tuesday A SP and Overall Tuesday All Spinnaker Divisions
Caroline Burtner / Calyce – Most Improved
Gary Leary / Talisman – Sportsman Award
John Meagher / Celtic Fire – Tuesday D SP and Boat of the Year

And that brings me to volunteers. Our racing program is complicated with 33 dates and 47 races planned for the year. And adding in the regattas that we hosted this year, SBLR, WSI, LYRA and Hospice, we swell to 39 dates and 63 buoy races. And all of this was accomplished by a volunteer club.

Just how much volunteer hours are required? Well I am not exactly sure, as we have a number of non-members helping us pull this off, and we had people committed to help races that were abandoned, so not every hour worked or committed to is recorded. But when I do a

(continued of Page 3)

top down analysis, I come up with 1900 hours to run this year's events. And if you spread those hours like peanut butter over our membership, it comes to 14 hours for each and every member. Now in reality, it did not work exactly like that; it was chunky peanut butter. And in fact there were some whole peanuts in there. In particular, we had the Committee chairs; SBLR - Rob Reisch, Pultneyville LD Race – Bill Towner, WSI - Sandra Sarbou-Wion, LYRA - Lary Sill and Gary Leary, and Hospice Regatta - Amy Ziobrowski; each organizing and leading their events. And we had a regular crew on the Robert Read on Tuesday nights which helps to define our racing experience. Please be sure to show your appreciation to this crew, without them our season would be completely different. This year we awarded a special recognition to the "Race Support MVP", which went to Bill Topping. He coordinated this crew which made such a difference to GYC-racing in 2018.

And not to forget, our scoring rock star Bill Thompson. Bill manages to score our club and regatta races, whether he is here or not, with timely publishing to the racing results website.

And so many others who helped, from handicapping, cooking and cleaning up, and operating and maintaining our committee boats, and more.

So thankful to have such an outstanding crew helping our racing program be the success that it is.
