Addendum A GYC COVID-19 compliant race rules

During the COVID-19 pandemic these rules shall be followed during a GYC race activity. Given that social distancing cannot likely be maintained wearing a mask on a sailboat is a requirement. If anyone chooses to not follow the rules specified within this Addendum it will not be a protestable issue.

For each captain or crew if they have a yes answer to any of the following questions then they **must stay home / do not participate.**

Do you have:

- A new fever (100.4°F or higher), or a sense of having a fever?
- A new cough that you cannot attribute to another health condition?
- New shortness of breath that you cannot attribute to another health condition?
- A new sore throat that you cannot attribute to another health condition?
- New muscle aches that you cannot attribute to another health condition, or that may have been caused by a specific activity (such as physical exercise)?
- A new loss of smell or taste.

GYC COVID-19 compliant race rules for the standard race program as approved by Bob Duffy's office:

- 1) To assist contact tracking for every race, each boat participating must fill out a COVID-19 form, see page 14. The Captain of the boat will print the COVID-19 form as many times as necessary and maintain this log information.
- 2) Boat equipment must be sanitized.
- 3) Boat cannot have more than 10 people on board along with social distancing generally not able to be realized mask are required. NYS within the "Reopening New York Commercial Fishing Services and For Hire Vessels Guidelines for Employers and Employees" allows for situations on a vessel where 6 foot distancing cannot be maintained a mask is required.
