

FLEET REVIEW

How To

1. Decorate your boat with your burgee, racing, American and nautical flags.
2. Dress is typically a navy blue blazer and white slacks for the captain. Just look nice!
3. Meet at the mouth of the river and form a parade behind the Rear Commodore.
4. Stay 3 boats apart to enable the proper salutes and cannon firing.
5. The captain returns the Commodore's salute while the crew dips the burgee.
