

WSI Gears Up for a Fantastic Regatta and Picnic

Please Join Us this Saturday 7/19!

The countdown is on for this year's Women Skippers Invitational Regatta. We're excited for a fun, competitive, and community building event — but we still need more boats to register! Whether you're a seasoned racer or new to the helm, now is the time to be part of the action. Let's fill that starting line with friendly sailors!

 **Don't Miss:** How to Stay Out of Trouble at the Start Line

On Thursday, July 17th from 5:00pm to 6:00pm, join Larry Sill, Retired US Sailing National Judge and Regional Race Officer, for a fun and informative presentation on start-line strategies. Learn how to avoid penalties, position for the best start, and keep things friendly (and upright!) before the horn. Held in the Meeting Room — and yes, it will wrap up in time for the Pizza Race!

 **Post-Race Debrief with Doc Sullivan**

Stick around after the regatta for our always-insightful Post-Race Debrief, led by Doc Sullivan in the Fireplace Room. Get firsthand insight, review key decisions, and share your lessons learned — it's a great way to build experience and confidence.

 **We Need Ground Crew Volunteers!**

From launching to lunching, this event runs on volunteer power — and we need your help to keep things moving smoothly by signing up for a shift.

 **Register Now — Crew Info Not Required at Registration!**

Thinking of entering but don't have all your crew locked down? No problem! You can register your boat now and add or change crew details later. Flexibility is built into the system so you can commit today and fine-tune your lineup later.

 **Play to Win – Mix and Match Sign-Up Board**

If you're not racing your own boat, consider volunteering as crew or helm — or offer your boat (with you aboard!) to join the fun. Our 'Play to Win / Mix and Match' system makes it easy to get involved. Just stop by the Sign-Up Board in the Meeting Room and add your name!

 **Don't Miss the Picnic - All are Welcome !!**
